PRELIMINARY AMENDMENT

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Preliminary to examination of the above-identified application please make the following  
amendments:

IN THE CLAIMS:

Please amend the claims as follows:

a' 18. (Amended) The portable object according to claim 1, wherein it is powered by an  
accumulator able to be recharged by induction.

19. (Amended) The portable object according to claim 1, wherein it includes display  
means for time-related or other data.

a 2 22. (Amended) A method for controlling at least an electronic function such as an  
horological function of a portable object according to claim 1, including the step of selecting the  
desired electronic function by applying a finger to the touch-sensitive key associated with said
